Lionel Andrés Messi was born on June 24, 1987 in the city of Rosario, Argentina. Everyone knows him now as the best football player in the world. In fact, a lot of people say he might become the greatest player ever. We'll see about that at the World Cup. Messi is FIFA World Player of the Year. He also helped his club team Barcelona won the European Champions League and the World Club Championship.

Messi has an amazing career ahead of him. Many football experts compare him to the legendary Pele and Maradona. This World Cup could be the stage for him to show people he really is the best. His skills on the ball, ability to get past defenders and his goal-scoring are breathtaking. Top soccer coach Arsene Wenger said Messi is "like a PlayStation.
