6 Six Steps to wearing the N95 MASK

Step 1
Wash your hands before putting on the mask.

Step 2
Select a N95 mask that fits you well. It is available in different adult sizes and models*.

Step 3
Hold the mask in your hand and place it firmly over your nose, mouth and chin.

Step 4
First, stretch and position bottom band under your ears. Then, stretch and position top band high at the back of your head.

Step 5
Press the thin metal wire along the upper edge gently against the bridge of your nose so that the mask fits nicely on your face.

Step 6
Perform a fit check by breathing in and out. While breathing out, check for air leakage around your face.
