Hi! My name is Elise and I am 13 years old. I am from Seattle and I have two brothers and

one sister, but she doesn't live with me. I live with my mother and my two brothers, and my sister lives with our father in other city. They live in Oregon. My brothers are 15 and 16 and my sister 10.

I like

to read books and magazines and sometimes play games on the computer. My brothers love to play computer games, but they don't like reading. They play soccer every Sunday and I go swimming Every Saturday morning.

I always do my homework in the afternoon and sometimes I sleep a little.

I never play soccer, because I don't like this sport.

Sometimes I go to my father's house to visit him and my sister. I love to go there because they have a pet. It's a dog and his name is Otto. I love dogs, but I can't have one in my house because my brother is allergic to animal's fur. That's my life and about yours?
